

Bi-Partisan One Health Congressional Bills introduced in U.S. [Senate](#) and [House](#) aim to establish an interagency One Health Program.

June/July, 2019, Washington, D.C. USA.

Senate Bill S.1903, [“Advancing Emergency Preparedness Through One Health Act of 2019”](#) was introduced in the US Senate on June 19, 2019, by Senators Tina Smith and Todd Young. This was followed on July 16, 2019 with [introduction of a bill](#) by the same name in the House of Representatives by Representatives Kurt Schrader and Ted Yoho.

These companion bills push a coordinated “One Health” approach to better prevent, prepare for, and respond to zoonotic disease outbreaks. The bills call for appropriate federal departments and agencies to establish a national One Health Framework to coordinate Federal activities under the One Health Program.
